From a land beyond distance and beyond time... in  
1987... in Llangollen...

## Sacred Wind

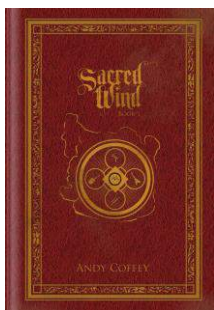

Imagine Black Adder, Shrek, Douglas Adams, Monty Python, Terry Pratchett, David Eddings and Spinal Tap meeting for a few pints of fine ale and a good game of charades...

Welcome to the world of Sacred Wind, a tale set in an alternative reality, featuring conscious curries, head banging sheep, telepathic cats, magic cheese, an evil Baron, some very sexy faeries, and a Welsh Viking Flatulence Rock band...

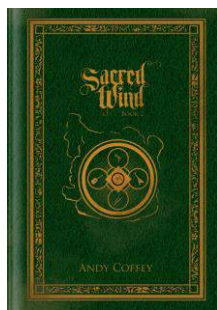

*"if you have a quirky sense of humour like myself you are going to love this book."*
